Amendment No. 1 to Draft Registration Statement on Form F-1 Submitted on January 11, 2019

Note 9. Equity Interest with Preferential Rights, page F-31

1. We note your response to comment 17, in which you state that the Company would be required to re-measure the preferred shares to the redemption amount when there is a more than remote chance that a Qualified IPO would not be completed. Based on your response, it is not clear how the Company determined that there is only a remote chance that a Qualified IPO would not be completed at each balance sheet date.
